

## *accelerating answers*

The OGsys Online Client Forum was created to help our clients accelerate answers. Clients can use the forum to trade questions, feedback and suggestions with each other and with our skilled OGsys Support Team.

In addition to providing a password-protected environment to chat with other industry professionals, clients can also use the forum to access comprehensive OGsys user manuals and other useful resources.

How To Register:

1. Visit the Client Forum section of our website: [www.ogsys.com/forums](http://www.ogsys.com/forums).
2. Click on the **“Click here to join the Client Forum”** icon.
3. Select the Register link.
4. You will be asked to fill out a brief registration form.
5. When you electronically submit the form, OGsys will verify that you are an OG*select* member.
6. Once verified, you will receive an email notifying you that your account has been activated.
7. Once you are activated, you can return to [www.ogsys.com/forums](http://www.ogsys.com/forums) and click on **“Click here to join the Client Forum”** icon.
8. Select Log In and enter your chosen username and password.
9. Once you are logged in, you can select forum categories of interest.
10. You can then join existing discussions and post new topics.
11. Inside each forum, you can subscribe to receive notifications on selected topics you are interested in and search for answers to your questions.
