

## Revenue Deck (Revenue Deck Report.xls)

### Running the Revenue Deck Report

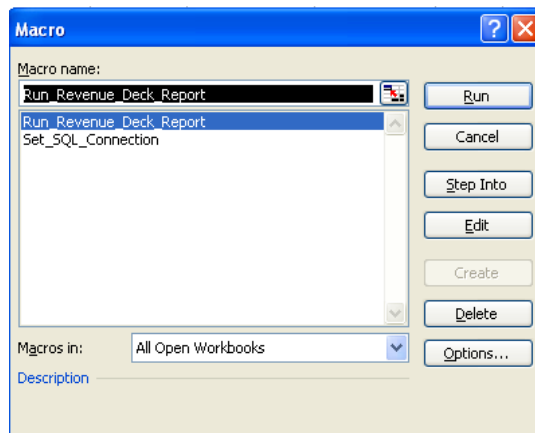

The Revenue deck report will display a list of detail lines of all Revenue data that has been exported from OGWIN or OGSQ into a SQL Server Database. It will display the Company Code, Property #, Description, Revenue deck code and the Working Interest decimal amount.

Steps to follow:

- Download and Save Report from OGSYS Website; Downloads; SQL Reports Library; Report Library Downloads;
- Navigate to the Macros menu Click Tools – Macro-Macros.

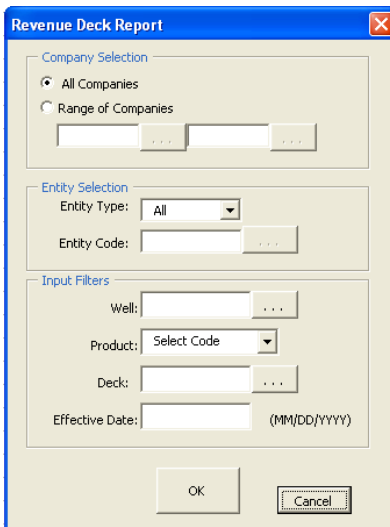

- Run\_Revenue\_Deck\_Report macro

The report can be set up by:

- Company or Range of Companies
- Entity Type (All; Company; Owner)
- Well (All or Individual)
- Product
- Deck
- Eff. Date

You can choose to Select OK and the report will run All Revenue Decks.

Below is an example of this report.
